

our constituent demands because across America, people are understanding the reality of this. They don't want to put people in jail, they don't want to have Federal law strike forces in their community just to prevent adults from consuming a weed in their backyard. It makes no sense at all. They know that people, once they are arrested for just smoking a weed that is not hurting anybody else, their lives are damaged and it is harder for them to become a decent citizen. Americans are concerned about each other, and we know we can't just leave it up to the government to control our lives.

With that said, I hope that my colleagues support this legislation and support Congressman BLUMENAUER and myself and others in the Cannabis Caucus that is being established in order to be consistent with the goals and ideals of American liberty to make sure that we have limited government and unlimited freedom in this country. That is what America was supposed to be all about.

Mr. Speaker, I yield back the balance of my time.
